

YOKOHAMA YOKF416BB

Product Specification Sheet

Model: YOKF416BB | **Brand:** Yokohama | **Color:** Galaxy Inox | **Type:** Inverter 5-Star Refrigerator-Freezer

Quick Specifications

Feature	Specification
Total Capacity	416 L
Fridge Volume	310 L
Freezer Volume	106 L
Energy Rating	5 Stars ☆
Annual Energy	273 kWh/year
Noise Level	39 dB(A)
Dimensions	703 × 689 × 1725 mm
Net Weight	72 kg
Refrigerant	R600a / 56g

Key Features

- Electronic Control with No-Frost Technology
- LED Display for Easy Temperature Management
- 39 dB Ultra-Quiet Operation
- 3 Adjustable Refrigerating Glass Shelves
- 3 Freezing Drawers with Organized Storage
- Fridge: 2-8°C | Freezer: -15 to -24°C
- 220-240V / 50Hz Voltage
- Climate Type: T (Tropical Compatible)

Energy & Power Details

Parameter	Value
Voltage/Frequency	220-240V / 50Hz
Rated Current	1.6 A
Defrost Input Power	190 W
Lamp Power	2 W
Blowing Agent	Cyclopentane (Eco-Safe)

Product Benefits

- ✓ **Premium Energy Efficiency** – 5-Star rating saves electricity costs
- ✓ **Whisper Quiet** – 39 dB ideal for modern homes
- ✓ **Advanced No-Frost System** – No manual defrosting needed
- ✓ **Smart Temperature Control** – Electronic control with LED display
- ✓ **Spacious Design** – 416L capacity with organized compartments
- ✓ **Eco-Friendly** – R600a refrigerant, Cyclopentane blowing agent
